May-June 2024 Prayer Letter

Dear Friends,

May and June have been packed with travel and blessings. In May we found ourselves in Europe for two weeks. First we went to Romania where I preached the graduation service for the college we helped to start many years ago. One graduate was the daughter of a BIMI missionary family serving in Ireland, the other graduates were all nationals. In addition, I was able to preach in our main church in Costeiu that we started in 1993, as well as a church in Timisoara, planted by Tim and Debra Tyler. It was a wonderful time of reunion and blessings.

Following our week in Romania, we went to Zagreb, Croatia, to host our Europe Field Conference. This turned out to be the best attended conference we have ever had. Dr. Jeff Amsbaugh was our keynote speaker and he did a wonderful job of teaching and preaching and encouraging all of us. BIMI missionaries Ron and Rachel Winkler, who live in Croatia, did all the logistical work in finding the meeting place, etc. Our sincere appreciation goes to them!

The first week of June found us back in the U.S.A. and in Candidate School for BIMI. This year we had a total of 48 missionaries on campus for the week. For Europe we had six missionaries present; four year-one missionaries and two year-two missionaries. We praise the Lord that God is still calling laborers into His harvest.

We have a full summer ahead of us. We have Enrichment Week coming up as well as two weeks of CAMP BIMI and finally a week of Director's Meeting. Following that final meeting in August, I will be heading to Scotland, taking a group of 17 on a CONNECT trip to work for ten days with Rick and Sarah Demastus in Aberdeen. Please pray that we can be a help and blessing to them and that some of the young people will have their eyes affect their hearts and will give themselves to the Lord to serve as missionaries.

Thank you again for all you do for us that makes it possible for us to be effective in the role God has given us in His Great Commission.

Your friends,
