REPORT FOR OCTOBER AND NOVEMBER 2024

Dear Praying Friends,

We trust this letter finds you doing well during this special time of year. We are extremely thankful for everything the Lord has been doing through our ministry and through the ministry of BIMI.

Since our last prayer letter, we have been busy traveling and preaching in missions meetings. The Lord allowed us to minister in Maryland, Ontario (Canada), California, and Virginia. We also had the opportunity to minister in Sicily, Italy, where I preached during a missions conference for one of our Military missionaries. It was a blessing to see what God is doing around the world through our missionaries. During our meetings this fall season, we rejoiced to see churches experience increases in their Faith Promise commitments and Christians surrender to do their part in fulfilling the Great Commission.

Presently, we are preparing for BIMI's Semiannual Board of Trustees' Meeting, which is scheduled for December 2–3. I am thankful for each of the pastors who make up our Board of Trustees. These men volunteer their time and resources to be part of this ministry. Please pray for the safety of everyone who will be traveling to and from BIMI and pray that the time we spend together will be eternally profitable.

We are looking forward to Thanksgiving Day. God has blessed us in so many ways and we are continually thankful for His goodness. Barb and I are looking forward to being with family during the Christmas Season and celebrating Christ's coming to this earth.

As one of our supporters, you are a very special blessing! **THANK YOU** for everything you do in helping us fulfill God's will for our lives. Your regular monthly support and faithful prayers are appreciated more than you know. Barb and I want to be among the first to say **MERRY CHRISTMAS** and **HAPPY NEW YEAR!** May the LORD richly bless you!

In Christ,
David + Barb
