

Dear Prayer Partners,

January 31, 2025

“O Magnify the Lord with me, and let us exalt His name together!!!”

Thank you!! Thank you for praying, thank you for giving, thank you for rejoicing with us. This past Sunday we had the Grand Opening service of Solid Rock Baptist Church of Belize. During the three weeks leading up to this January 26th special day, we had Bible studies and Get Acquainted Meetings. These services were well attended by a couple of dozen people each meeting. For the Grand Opening service we had between 150-170 people in attendance. Praise GOD!!! Eighty-two of this number were from two Baptist churches of driving distance from us who brought their congregations to help with the big day. The remaining 80 or so people were from the surrounding villages of Blackman Eddy, Ontario Village, Unitedville, Lower Barton Creek, Buena Vista, Roaring Creek, as well as from nearby Mennonite communities. Praise God for the central location of this church property that He has given to us and so many of you have helped in the purchase of. Our sending pastor, Pastor Brett Pennell also made the trek down from Canada to be with us for the big day. He gave a strong Gospel presentation which we pray even now is doing a work in the hearts of those who heard it. All around it was a wonderful day. The ladies from the other churches as well as from our church helped Tracy put on a spread of food for everyone. We also had the bouncy castles up for the children after the service. We hadn't announced or advertised any of these things beforehand, so it was a pleasant surprise for those that came.

Please, please continue to pray for this new church plant. Pray that God would build His church. That He would give me wisdom. That He would give us the strength we need for the work ahead. Pray that He would protect us and our family and this church. Pray that He would provide for our needs here.

Sincerely and for His Glory,
Dan and Tracy Dinsmore
Ps. 34:3
