Dear Friends,

Thank you for your faithful prayers for our family and for the ministries here in Uganda, and East Africa. In May we had our **Children's Bible Study (VBS)**. The Lord blessed and we had about 100 in attendance and six children were saved.

Please continue to pray for **East Africa Baptist College**. We were able to add on a computer lab to help us in training our students in Bible College as well as for the Christian School. Please pray with us as we continue to train people from Uganda, Rwanda, Congo, and South Sudan. There is a great need to start churches in these countries.

Our second oldest daughter graduated from Bible College. Thank you for praying for her and for those who gave to help her achieve this goal. Cheryl was able to go and attend her graduation. Kimberly finished her first year of Bible College and I am glad that Michelle will be working at the church there so that she and Kimberly will still be able to spend time together.

We also had the **East Africa Baptist Ladies Conference**. We had 110 ladies attend from 12 different churches. They had a wonderful time of fellowship and encouragement. This ministry has been a tremendous help to pastor's wives as well as others. One of the ladies working in the ministry with us now is doing so as a result of the Ladies Conference.

With **Gospel Light Baptist School** and **East Africa Baptist College**, we feed about 500+ people a day during the school semesters. Because of this we have started renovating and expanding our kitchen. Our college students are doing most of the work and are learning some valuable skills that will help them later in the ministry as they go out and start churches. Please pray with us as we make the needed renovations and as we build as God supplies.

Water Filter

We only had the 20-foot container for the kitchen before, but now we have added on an additional room. We still have a lot of work to do with the roof, plastering, getting a larger water filter system, and the list goes on and on. It feels like we are in a continual building program, but that means God is blessing.

We also enjoyed celebrating Cheryl's 50th Birthday. I am very thankful for my wife and for all that she does for our Lord.

Your fellow Labourer,
James and Cheryl Pridgen
