Dear Pastor and Church,

My name is Beverly Dimal, and I am being sent out from Greater Vancouver Baptist Church as a missionary to the Philippines. By way of introduction, I would like to share a bit of my testimony and how great and amazing the Lord has been to me. I was graciously saved at the age of 13, and was discipled under Greater Vancouver Baptist Church. It was early in my Christian life when the Lord stirred my heart for missions and in 2014, God confirmed that He was calling me to His ministry. As a teenager, I surrendered, and gave my life to serve Him full-time. I received my education at FaithWay Baptist College of Canada and graduated with my Bachelor's degree in Religious Education, Minor in Missions in 2020.

In July 2022, God gave me an opportunity to serve Him in Greater Bacoor Baptist Church in Bacoor, Cavite, Philippines, working with Pastor Marty Savaris and his wife, Nancy. I was sent for two 6-month term mission trips to help out in this new and fast growing ministry. During that trip, I was humbled to witness God's wonderful working in Cavite. It was a joy to have been involved in the Sunday school program, discipleship, kids' village outreach, door to door soul winning, music and media ministries, youth and ladies' ministries, and more.

It was during my personal time with Him when the Lord showed me **Mark 12:44** *For all they did cast in of their abundance; but she of her want did cast in all that she had, even all her living.* Through His Word, the Lord confirmed to me that He's calling me to serve Him in the Philippines long-term. I have surrendered to Him and am now ready to put my hands to the plough without looking back. It is my prayer to be back in the Philippines sometime in January 2024. Please pray with me as I pursue to serve the Lord with all my life.

Servant of the Lord Jesus,

Beverly Dimal
