

NAVARRO FAMILY MONTREAL

Dear Pastor and Praying Friends,

By God's grace, we have begun another year of ministry here in Montreal and we are looking forward to what God has in store for us in this new year, as we continue to serve Him in 2024. The months have passed quickly, winter has turned into spring, and we have been able to resume all of our ministries after the busy holiday season. Our two sons have returned to Bible College and we are currently homeschooling our daughter Elizabeth for her final years of High School.

Over the past 3 months we have had at least 15 first time visitors attend the Sunday morning services. One young woman who is originally from India, Marina, made a profession of faith after the morning message. She raised her hand at the invitation unsure of her salvation. My wife had the blessing of sharing the gospel with her, and she prayed to receive Jesus Christ as her Saviour. We gave her a Bible as she did not have one, and encouraged her to start reading her Bible and coming to church.

In February, we set up a portable pool in the sanctuary, and during one of the Youth nights, I had the privilege of baptizing 2 young adults of the church. Within four Sunday services, we had 30 people join the church for membership. We were very glad to see adults and young people take that step of obedience and be added to the church. We Praise the Lord for working in the hearts of the brethren to move forward in their christian walk.

In this new year, the Lord has led me to do a Bible Study every Wednesday and it has been a help and encouragement to those who attend as we look deeper into various doctrines in the Bible. We continue to do our weekly soul winning efforts, and we are so thankful that we can hand out Gospel tracts and invite people to church on the streets of Montreal.

We rejoice that our Saviour is risen indeed and He is coming again! The Lord truly blessed our Resurrection services, and we had 3 visitors who heard the good news of the Gospel of our Lord Jesus Christ. We pray that the seed would take root in their lives and they would come back again to the services.

Over the past 2 months we had 2 baby showers for 2 young married couples in the church, and one of the couples had a baby boy 3 weeks ago. Praise the Lord!

We are still praying for the second couple who are due in a few weeks.

We would like to ask for your prayers for healthy babies and safe deliveries for our daughter in law Danielle, who is due to have twin girls at the beginning of May.

Thank you so much for your continued support and prayers for the work here in Montreal for the glory of God. More and more we see the need for the Gospel to be preached in the province of Quebec, as we get closer to the coming of our Lord Jesus Christ. Please know we are very thankful for you and we are praying for you and your ministry. May the Lord continue to bless you greatly through Jesus Christ our Lord. Colossians 3:23-24.
