## SPECIAL OPPORTUNITY

This month I am devoting this letter to a very special opportunity! I am writing to invite you to join me for an unforgettable mission trip to visit missionaries Rick and Sarah Demastus in Aberdeen, Scotland, this summer, August 16-26, 2024.

This ministry opportunity is provided by BIMI as one of our CONNECT trips. We want those who are interested in missions to have a chance to experience first-hand what the mission field is like! So, we organize these ministry trips to help you actually visit and work with your missionaries! I can promise that God will

impact your life and you will be stirred for missions like never before!

Since Scotland is an English speaking country, you will have more opportunity than most of our Europe trips to interact with the people you meet. You will be able to share the Gospel and your testimony as God gives opportunity. Additionally, this is one of our most cost-efficient trips. There are no "surprise" fees later on – except for snacks and/or souvenirs.

You can read all the details of this trip; what we will be involved in, what we will see, where we will travel, as well as the breakdown of the costs, by going to our website and following these steps:

1. Go to [www.bimi.org/connect/2024Scotland.php](http://www.bimi.org/connect/2024Scotland.php) (or scan QR code)
2. Click **Apply Today** (top right corner).

Please do take time to visit the website and pray about joining us for a ministry experience you will never forget! I'm looking forward to working with you!
