Dear Pastor Robert E. Wall and Faithway Baptist Church members,

Greeting you all a Merry Christmas and a Happy New Year. We hope and pray that God would continually strengthen you both physically and spiritually. Thank you so much for your prayers.

As for us here in the Philippines, we thank the Lord for His protection. The very strong typhoons did not affect our province much because they changed their directions. They went up North West, but they caused severe destructions to infrastructures, houses, in agriculture and some died due to floods and soil erosions at provinces up north.

Concerning our activities here, we thank the Lord because Jhon Gutierrez and Denver, his younger brother received Christ as their Savior. Jun Buena also received Christ as his Savior. May they grow spiritually.

We also do follow-up works to members that are not actively attending our Church services. Those whom we led to Christ for Salvation, we visit them in their homes and teach them Bible doctrines. Brother Joey Saldino and his wife Yvonne followed the Lord in water baptism. Now, they are actively serving the Lord. May the Lord lead us more to people whose hearts are open for the gospel.

Please pray for Rogelio and Jocelyn Rebano that they may grow in the faith. Please pray also for my wife, Aurora as she teaches in Children Sunday School. May the Lord save the souls of those children. Please pray that the Lord use us more to lead more people to Christ our Lord and Savior.

By the grace of God and through your prayers and support, our parsonage has roof now. Thank you so much for your thoughtfulness. May God bless you more.

Yours in Christ,
Felipe and Aurora Flores
