*"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; **to the Jew first**, and also to the Greek."*—Romans 1:16

"Brethren, my heart's desire and prayer to God for Israel is, that they might be saved."—Romans 10:1

COPD

I have been experiencing difficulty in breathing, resulting in a trip to the ER. The doctor did an examination, blood work, and sent me for X-rays. She asked me if I had ever smoked cigarettes. I told her I was a heavy smoker many years ago, but I terminated the habit when I was 35 years old. I had repented of my backsliding, and through prayer, God delivered me from the habit.

The tests revealed Chronic Obstructive Pulmonary Disease (COPD) in my lungs. Consequently, I am on an inhaler for the disease to enable me to breathe better. Please pray for healing.

Thank you for your ongoing prayers and financial support.

You are a blessing to us.
