

# Harvest Deaf Ministries

March 2022

Dear Friends and Supporters,

We are excited to report the many blessings God has given Harvest Deaf Ministries as we continue to serve Him. God is so good. We are sure you are experiencing this as well. In the midst of all that is happening here in our country and around the world, He gives us constant ways to serve Him and tell others about Christ.

We began a new college semester at the Bible College in January. The college travel team has had many opportunities of performing and sharing the Bible College. Our greatest desire is to share Christ with others and to recruit students for the college. Please pray that fruit will be produced as a result of these meetings. The choir works hard and makes great sacrifices to travel and represent the ministry.

**In January** we had our annual Men's Retreat with 57 men in attendance from all over the US. We even had two Amish Deaf men from the Lancaster, PA area. We had a blessed time with many decisions and tremendous fellowship! After the retreat though, many men, including Reggie got Covid. We had about 20 of our folks get it as a result. I felt bad about this but praise the Lord all have recovered. Satan has really used Covid to alarm us. We must continue serving.

We are now getting ready for our annual Missions Conference. This is not only a time when we commit, as a church, to world-wide evangelism but also a time that God uses to speak to the hearts of many of our students concerning His call on their lives. Please pray for us as we have four new missionary projects being shared during the week, and then the Douglas's who trained here and are sent by our church will report. We are praying that God will work in the hearts of our people to commit to Faith Promise.

**In April** we are hosting a conference for Deaf Senior Citizens. We are so excited to have this opportunity. There is not much offered to Senior Deaf in churches across America. We look forward to challenging these folks that they can still be used of God in great ways. Please pray for this week.

**In May**, we have our annual work team week with Claim Team Ministries coming for 10 days. This is always an important time for our campus but this year we have much to do to bring us in accordance with the local Fire Marshall. We have to raise about \$50,000.00 for all the work that needs to be done. Please pray for us. We know God will provide. He always does!

**In June** we are taking a team to the Dominican Republic to share the Gospel in schools around Santo Domingo. We are excited about this trip. Also in June Reggie will be preaching in NJ at the Deaf Baptist Fellowship of America. We have been asked to bring the choir there but with fuel costs we are not sure we can.

**July** brings Deaf Camp. We are having it here on campus in order to keep the costs down for those attending. They will have to stay in local hotels but it is still much cheaper than using a camp. Then **in August** we are taking a team to Las Vegas, Nevada to witness for Christ at the Deaf Nation World Expo. We will meet thousands of Deaf from all over the world. Please pray that many come to know Christ. What a wonderful opportunity this is.

We wanted to share with you that our church is once again growing back to its original numbers before Covid. We have had so many visitors and also folks that are returning. We praise the Lord but we are also working hard to visit and get into the homes of those visiting and those who have been missing. We have enjoyed seeing our people get excited about reaching the Deaf in our area. We are once again having youth in our youth clubs and future church program.

As you can see, God is doing great and mighty things which we did not expect. We serve an awesome God. We feel so privileged to serve Him. Please, pray for us as we continue.

Reaching the Deaf for Christ,

*Dr. and Mrs. Reggie Rempel*
