

ARCHIE AND RUTH
Perez
MISSIONARIES
TO URUGUAY

February 2024

Dear friends,

Greetings to you in the name of our Lord!

Our summer days have been full of activities, but activities would be useless if God is not the center of it all.

Answered Prayers and Praises

Dotan's daughter (the Jewish family we have been witnessing to) has given her heart to Jesus and does not miss a service. This week she begged her parents to come to church with her, and they did! They were very attentive and had questions after the service. Please pray for their salvation!

The goal for the Nueva Helvecia Land Project has been met! Praise the Lord! We have made an offer for the land, and we are waiting for an answer.

We did have some increase in our monthly support for which we are very thankful!

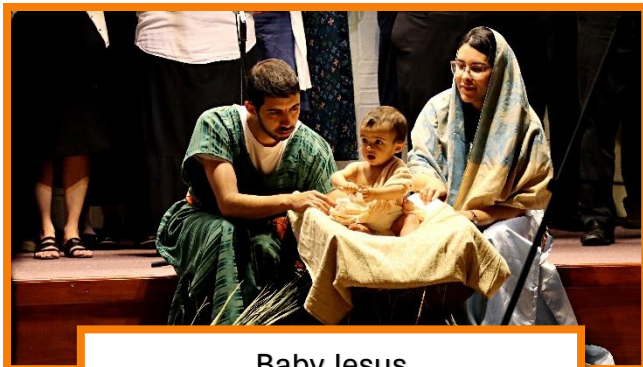

We are humbled by God's love towards our family! Mark and Yani Perez and John and Beth Briley will soon be appointed with Baptist World Mission (Lord willing) to serve the Lord in Uruguay as missionaries! Can you imagine our joy? Three of our children and their families will be serving with us in this very needy country.

Prayer Requests

Our grandson Levi (6 years old) will have a procedure to remove a growth in his neck. Pray for total healing for our little grandson.

Christmas Program

Baby Jesus

Baptisms

Church Anniversary

Plans for Furlough

Lord willing, we plan to start our furlough on November 2024. Pray for all the scheduling of meetings and guidance in every detail.

Seminary classes are going well. Pray for the young men and women to use their time and knowledge wisely, and that they stay focused in the Lord and their studies.

After such a big effort from all our churches to have a children and youth camp, we can see that this great investment of time, effort, and money was so worth it. We are so thankful for Pastor Josiah Kagin and his wife from Grace Baptist Church, Kettering, Ohio. They made an immense sacrifice to come and minister to us during youth camp and church services. Many decisions were made for Christ, salvation, and commitment to stand firm in the Lord.

Thank you for being our co-laborers for the name of Christ in Uruguay. We appreciate your support, prayers, and care for us!

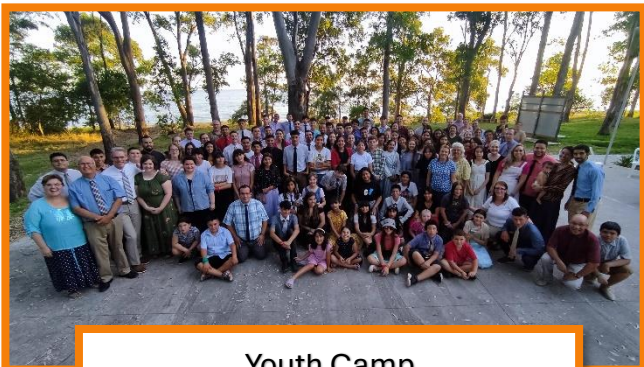

May God bless your lives and ministries.

In the Beloved One,

Archie and Ruth Perez
