Dear Family and Friends,

Thank you for your continued prayer and support of Dawn and I, and the ministry that God has given us. Since our last prayer letter, we have been busy with outreach, discipleship, Southeast Asia field conference, and counseling. It has been a very busy time in the ministry.

Ashton and Reagan are still attending our services regularly. They will come over on Sunday mornings at 9:20 for church and they have been coming to our evening service as well. Please continue to pray for their salvation. Dawn teaches them on Sunday morning. She says they have lots of questions and seem to be very close to understanding what it means to be saved. Please continue to pray for their salvation. Their brother Chance has not been in a while and is getting involved with the wrong crowd, but I still get chances to talk with him over the fence.

At the end of April, we attended a Missionary field conference in Fiji. It was a blessing to renew old friendships and create new ones. As well, there was sessions for us to ask questions, hear speaking on topics that we all deal with, and hear good preaching. It was a great time of recharging our batteries.

Dawn has been discipling a lady at church, Christal. She is having some real heavy trials in her life. Please pray for wisdom for us as we share biblical truths that will help her through these tough days.

We have had some visitors at Church from our outreach efforts and I also received a phone call from a lady not happy with our letterboxing card that has the Gospel message on it. Once she heard my voice and realized I was from the States she lost it. For 20 minutes she unloaded all her issues with Christianity, America, and the Bible. Just another way the devil tries to discourage you from doing the work of God. The day before this phone call I received a call from Darren. Some of you may recognize this name, he is the young man I was discipling in the prison about 5 years ago. I was so excited to hear his voice and hear what has been going on in his life. He told me the reason that he called was to say thank you for all the time spent discipling him and helping him stay out of prison. He is married and has a family, and is planning on being at church this Sunday, Praise the Lord!

We also have a couple the drives every Sunday and Wednesday 50 minutes one way to Church and have been doing this for 2 years, this is commitment. They made the decision 3 weeks ago to become members of the Church. They are a blessing, and he has a heart to tell others about Jesus. He always takes several tracts with him to pass out throughout the week.

Again, thank you for your support of the ministry God has called us to in Masterton, New Zealand.

Serving Him,
Jerry and Dawn Judd
