### PRAYER LETTER: JUNE 2024

Dear Friend,

Greetings to you from India. We do hope that you are keeping in good health. Here is a brief report of our ministry:

### NEW PROJECT FOR BIBLE COLLEGE CLASSROOMS

Perhaps you are aware that our Classroom Complex was built twenty-five years ago. The Bible College has grown substantially during this period, but the classroom facility has remained unchanged. Repair and painting works have not been undertaken. This year, we have decided to resolve this problem. We plan to build four good-sized classrooms, lay floor tiles in all classrooms, redo the electrical works, build an emergency exit passage with a steel staircase, paint the entire building, and have a solar plant on the top of the building. This project will cost us \$88,400.

However, we plan to raise only \$44,400. The other half of the project cost will be met from different sources. We wish to complete the project within two months. This project will enhance the quality of the training we give to students. Kindly pray that the necessary funds will come for this project.

### DOCTOR OF MINISTRY

The DMin courses were conducted for two weeks in May. Ten students from various parts of India attended the classes.

### ORISSA CHURCH BUILDING

The church building project in Orissa is in progress. We need your prayer support. It is not easy to have a new church building in Orissa. There are many difficulties, but if the people of God pray for this project, we can overcome all obstacles.

Thank you for your prayers and financial support.

Servants of the Lord,

Sam & Molly, India
