

Liedtke April '24 Update

Honduras

Dear Friends,

Thank you for your prayers and support every month! We could not do this work without your involvement and are always grateful to the Lord for you!

The first week of February we had our first couples retreat at Faro de Luz. This was a great time with a session on Friday night and an overnight at a local hotel followed by 2 more sessions, nice meals, games and fellowship the following day. This time was beneficial for our families.

The second week of February started a 7 week furlough in the USA. We were at our home church, Grace Baptist, Columbus, GA, for their annual missions conference and it was a great encouragement to us personally! We couldn't ask for a better home church! Thank you, Pastor Seth Hon and all at Grace!

We were able to visit the BIMI home office and give a report to the Directors. These people are also a huge encouragement as they pray, listen, give advice — anything we need!

Our immediate family gathered for a week in Indianapolis and we got to meet our newest grandson, Mathias, born to Sam and Robyn on January 19th! While in Indiana it was a blessing to report at Faith Baptist, Angola, and Rossville Bible Fellowship, Rossville.

The first week of March we were in Milford, OH, and had the privilege of touring both Bearing Precious Seed and Fellowship Tract League. Incredible ministries of getting out the Word going on at both of these places! From there we traveled and reported at Faith Baptist, Seneca, PA.

The second week of March we were able to give an update at Tri-State Baptist in Connecticut. We also visited with Brenda's mom in Rhode Island. Both Mom and we ended up with the flu, which kept us down for about a week before heading to Virginia to visit our daughter and husband.

We arrived back in Honduras in time for a Good Friday service and Easter Sunday. The church had all remained faithful and even had several new faces. We appreciate the Honduran pastors, Brother Saul Moncada and Brother Josué Izaguirre, who filled in our absence. We are pressing on now with music classes in guitar, training the congregation in the recognition and use of their spiritual gifts as well as adding a Friday night service, which is really taking off. Please pray for these efforts.
