

The Bulawa Family
Serving Missionaries & Churches
in the **FAR NORTH**

Winter Late 2023 / Early 2024

Dear Prayer Partners,

Psalms 26:7 That I may publish with the voice of thanksgiving, and tell of all thy wondrous works. In this 'Thanksgiving Season' we certainly have much to publish about the wondrous works of the Lord! Since our last letter, we have traveled, by land and air, from the gulf coast north to Canada, from the east coast to the south west coast, and to the Pacific North West. In all, the Lord kept us safe for well over 15,000 miles — That's definitely something to be thankful for!

We are also thankful to have had opportunity to encourage churches in the matter of world evangelization through missions and to present the need for more laborers in the Far North. We also had the privilege to present the ministry of CAMP BIMI at both churches and Christian colleges. If you are wondering where you might 'fit in missions' I would encourage you to consider CAMP BIMI as a place to find out more. You can check out a short video on the topic at campbimi.org

Presenting Mission to College Students

Missions Sunday in AL

One of the highlights of our travels was to a large Christian College in the South East where we saw well over 50 students surrender to the call to missions. Paula had opportunity to counsel with two young ladies and I spoke with a young man — all of whom were planning to change their majors to missions in response to the Lord's leading in their lives. We are thankful that the Lord of the harvest is still calling forth laborers.

There is not place to mention all of our meetings specifically in this letter, but two other highlights were being at a church that has been in existence since the late 1800's and being a part of their first missions conference. Then, being back at another church that has consistently exceeded its goals for missions giving year after year. We are thankful that the Lord is still working through local churches as the source for missionaries as well as to provide the resources needed to carry out the Great Commission.

I am thankful to have had the opportunity to produce three ministry videos, which focus on the needs in different areas of the world and missions, and to have three more in the works. Please pray the Lord uses these as effective tools to further the cause of the Gospel.

Preaching in TN

Presently, we are getting ready for the December Candidate School here at BIMI. We are especially excited and thankful to have a young family, who will be presented as missionary candidates, and who is looking to take the Gospel to the Far North.

After Candidate School, we look forward to time with family at Christmas and travels that will take us back north through the beginning of 2024.

Finally, thank you for your faithful prayers and support. We trust the Lord will continue to bless you and that fruit will abound to your account.

For His Glory
