Dear Praying Friends

September 2022

Thank you all for your continued prayers. Faith and I have settled into our new rental house and we are really liking the change. We are getting to know our new neighbours and are excited about the open doors and with many opportunities already presenting themselves to share the Gospel.

### Whosoever Baptist Church ministry:

After meeting in a different building other than our own, for two years due to covid, we are finally able to meet back in our own rented facilities. However, as you can imagine after two years of the building not being used, it is in great need of repair and improvement. We have some planning in the works concerning this building, a long journey ahead of us. It has been a great blessing to be back and our folks are happy to be back as well. Please continue to pray for our church family, the cares of this world and that old devil are really working overtime on some of our core members, which is a heavy burden on them physically and spiritually. Also pray that being back in the middle of town will bring many more opportunities to reach souls for Christ

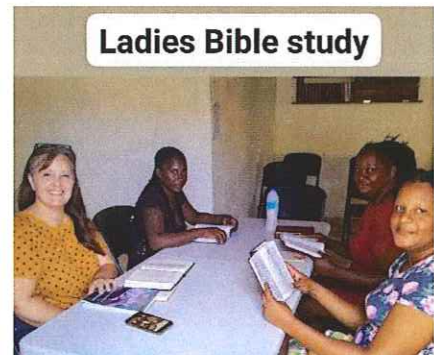

Sometimes we can go a long time without seeing the fruit for our labours and it can get discouraging. But we press on and continue to be faithful to the Lord's work because that is precisely what it is, THE LORDS WORK. Praise the Lord though, God is working even if we can't see it or feel it! (2 Corinthians 4:18)

### Bruceville Baptist Church ministry:

My wife has just finished up a two month Bible study with the ladies at Bruceville Baptist Church. It was a great privilege to be able to hold the last class at our house .it has been an encouraging time to watch them grow in the Lord.

Thank you for your continued prayers,  
Wes and Faith Ann Bartley
