*“Only fear the LORD, and serve him in truth with all your heart:
for consider how great things he hath done for you.”
I Samuel 12:24*

What great joy there is to *“serve him in truth with all your heart”!*

- Ladies’ S.S. class—Many ladies have thanked me for the lessons I have taught about men of the Bible who faced crisis and how we must face the crisis in our lives. I gave them a homework paper to read the Bible story during the week before the lesson. Some let me know they had never read those stories or if they did, they never really learned from them to apply truths from God’s Word to their lives. It has been a learning experience for them. Praise the Lord! **Pray** for me as I start a new series this month.
- Children’s Bible Club—Elias continues to come faithfully, but the mother of the neighborhood children he brought won’t let them come anymore. I tried to visit the home, but sadly the mother closed the door and refused to talk to me. Some other children have started coming again. I usually have a good attendance to the class online. It is encouraging to see the children excited about reading and learning from God’s Word. **Pray** that more children will come and that the Lord would burden someone in church to help me.
- Ladies’ meeting in July—The ladies always enjoy getting together to be challenged by studying the “virtuous woman” from Proverbs 31 and to fellowship. **Pray** for the next meeting in September.
- Two new lady friends attending church, Sonia and Olga—They are excited about our church and only live a couple blocks away! **Pray** that we can work it out so that I can visit them in their home soon.
- Alejandrina—I was able to start a weekly discipleship class with her and my neighbor Nora, who brought her to church. I am also doing the same Bible study with Hanna, Nora’s 8-year-old granddaughter who comes to the Children’s Bible Club. **Pray** that they will understand God’s Word and apply it to their lives.
- Single Adult Conference—**Pray** that several young adults from church will go October 2-5.
- Evangelism Conference—**Pray** for a good attendance at our church October 3-6 to revive our hearts to be burdened for lost souls and do all we can to reach them with the Gospel.
- Dentist Luis and his family—They traveled an hour to come to our church when my neighbor Nora invited them. I was able to contact him and let him know of another church much closer to where they live. I had some dental work done this month and he let me know they have started attending church. **Pray** that they will continue to go and grow in the Lord as the pastor has offered to disciple them.

“Consider how great things he hath done for you”.

Thank you for your part in the great things God is doing through your support and prayers. God has answered in that I do have the title of the house now! **Pray** for God’s provision to pay it off. **Pray** also for paperwork to renew my US passport and Honduran driver’s license which are both in process. May God continue to use you to do great things for His glory.
