

The Mach Family

Côte d'Ivoire (Ivory Coast), W. Africa

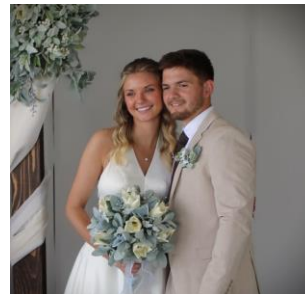

May/June 2024

Dear Family and Friends,

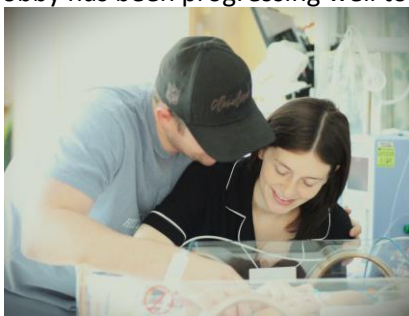

In this prayer letter, we would like to give an update on some family events. We came to the states in May for these events, and we will be returning to the Ivory Coast at the beginning of July.

On May 10th, our youngest child, Luc, graduated from college with a B.A. in Missions and a minor in Youth Ministries. We were there for his commencement service as well as that of his then fiancé, Kayla Boggs.

On June 14th, Luc and Kayla were married at Kayla's church, the Front Range Baptist Church in Fort Collins, CO. The rehearsal, wedding, and reception all went very well. It was a blessed time as Luc and Kayla began their married life together. Luc will be continuing his theology training working toward an M.Div. while Kayla will be teaching in a Christian school.

Our oldest, Bob, and his wife, Micalah, were expecting their first child on July 22. We were not in a position to remain in the states for the birth and were wondering at what point we would meet our first grandchild. However, due to a complication, the birth had to be induced on June 25. By the Lord's grace, Becky, Morganne, and I were able to get to Greensboro, NC, the evening before to be present for the birth. We were thrilled to welcome Robert Heath Mach into the world with them and Micalah's family. The premature birth provoked some breathing difficulties, but little Bobby has been progressing well toward being discharged from the hospital.

Most sincerely in Christ,
