Dear Praying Friends,

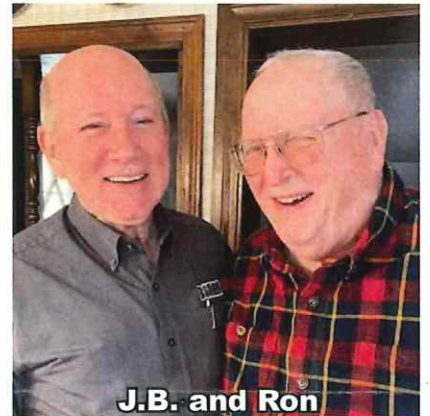

We praise the Lord for 18 new missionaries who were accepted to serve on the field under BIMi. It is also a privilege to help them get to the mission field. Fourteen missionaries have finished deputation and are on their way to their respected fields of service. It is hard to believe that we were in their shoes 50 years ago. My how time flies! Then Camp BIMi had a total of 117 people of various ages come for intensive mission classes to see if they fit into God's plan as a missionary. Dear friends, God is still calling missionaries to the field and we need to keep praying! It was also a special blessing to me that one of the students in my Sunday School class here in Missouri felt led to attend Camp BIMi. Donna and I taught for 25 years at Camp BIMi and we really miss it.

News from missionaries is exciting. New churches are being established all over Africa. Luke Shelby in Kenya and Dan Dwire in Uganda are planting new churches. All of our missionaries in Africa are doing so well. I would love to be there with them!

We have had several visits here at home from our missionaries we helped train. We had veteran missionary Richard Badgett and his wife who are serving in South Africa with us for three days. Then Dr. J. B. Godfrey had a meeting in Branson, Missouri, and drove a little over an hour to come see us. When we first went to Senegal, he and his family served there with us and we have become lifelong family. It is such a blessing to watch the Lord bring families together in service that cultivate such a close relationship.

Please pray for Donna and me. I am having physical weakness and I can barely get around. Donna is doing well but I can see where she is wearing down physically as she keeps me going. We are so thankful for you who have supported us all these years in prayer and giving. Heaven really looks good right now and I am ready to go. Glory!

In Him,
