Alejandro Update

Alejandro has been approved for the cochlear implant. We are now awaiting his surgery. It is scheduled to take place the beginning of February 2025. Once we scheduled that surgery, we returned to Honduras to continue serving. We were excited to be able to come home the end of October.

New Van is in Route

Because of all the generous help from churches and praying friends as well, we were able to drop off the van at the shipping company in Houston, Texas. However, recent weather events in the Gulf of Mexico have prevented the ship from arriving as scheduled. We have just been informed that the van should arrive in Honduras and be ready for pick up during the first few weeks of December. We are looking forward to using the vehicle in Seminario Bautista Belén's next semester.

Hosting a Group

We were blessed to have a group from Shawnee Baptist Church in Louisville, Kentucky, come to visit and serve along side us for a week! We saw many come to know Christ as their Savior. We were able to present the Gospel in three different schools, both public and private, as well as visit five churches. We were able to pass out Scriptures in parks and the main bus terminal for Danli, where thousands pass by every day.

Please Pray for the Following:

1. For growth for the nine churches that have been started.
2. For Walter Enrique Miranda as he raises support to start a new church in the city of Catacamas.
3. For the finances to build classrooms on the conference center property for the Bible college. Praise the Lord for the \$44,000 already given towards this project.

Thank you for your prayers,
