TERMINATED

We have completed mailing Isaiah 53 booklets and tracts to rabbis in Nova Scotia, New Brunswick, Newfoundland, and Prince Edward Island.

All rabbis in all synagogues in ten provinces here in Canada have received our booklets and tracts.

We have now also completed mailing Gospel literature to 69 rabbis and synagogues in New York.

Please pray for these Jewish people that they would be receptive and would read God's Word.

TANTRUM

"You seem to have mistakenly sent me your package. First of all, I never requested it and have no idea how you found my name and address. Secondly, I find your mission is completely misguided, patronizing, and simply cruel." Please remove me from your mailing list!

Please pray for Owen B.

THORN

"There was given me a thorn in the flesh." 2 Corinthians 12:7

This spring I developed a severe itch in my right foot that gave me little rest. I was kept up many nights. I had blood tests, X-rays, and medication, none of which helped. The doctor was at a loss, after I spent five hours in the ER. All he did was suggest I take Aleve or Advil. This didn't help.

I asked many of you to pray, and praise the Lord the itch was healed!. Thank you for your prayers.

My wife is currently suffering kidney pain and is undergoing tests. Thank you for praying for our health and ministry.

May the Lord bless you for your prayers and financial support on our behalf.
