

April 2022

Welcome to our life and ministry in Uruguay!

Hello, Dear Friends!

What a special two months we had! Days full of joy... You can see it! We had all our five grandchildren together for a month! What an undeserved blessing we had!! Here is a picture so you can see our smiles...

As we mentioned in our previous letter, we also had the immense privilege and joy to ordain our son Mark to the pastorate. Pray for him and his wife Yanina, who are praying about coming back to Uruguay as missionaries. Also, they are going ahead with the process of finding a child to love and adopt. Pray for them in this big challenge. May the Lord guide them and provide for this need.

We had a great three months of intense classes of seminary. Keep praying for national young men to answer God's calling to preach and the pastorate. During the past weeks, some of them have been preaching in the different church services. It is so exciting to see how God is preparing some of them; even at such a young age, we see great seriousness and growth. Pray specially for Juan Daniel Kechichian, Esteban Chauvie, Lucas Mengen, Santiago Quintana.

An encouraging thought...

When we first came 25 years ago, it was only our family in the first services. Then, God gave us children and some of those children grew up to be leaders in our church and marry godly ladies. Today, we see their children serving the Lord in different capacities. Isn't that a joy and an answer to prayers?

We have stayed very busy visiting some of our churches in Uruguay during this month. We visited a fairly new church in Salto, pastored by a missionary from Canada, and doing a great job up north. Then, we visited Nueva Helvecia, our third church start that has been independent now for ten years! What a blessing to see what God is doing there!

This past week, we had a day of work to our church in Nueva Palmira. They just rented a place, and we took a team there to paint and clean up. What an awesome time we had! Last week, they had their first youth meeting with eight new young people; six of them came to know Jesus as their Savior and they returned on Sunday!

We are thrilled to see how God is working in our ministries here. It seems as though we have all the enthusiasm and energy that was accumulated during the pandemic. Now, the government has taken away mask restrictions, and we have the freedom of meeting when we want to. That is a huge blessing!

Prayer requests....

We are seeking to rent a place for the congregation in Tarariras.

Please pray for provision and wisdom for this need. Pastor Mario is doing a good job.

Our daughter Priscila is graduating from PCC this coming May 13. Lord willing, we will make a two-week trip to the United States to be at her graduation and help her move to Greenville, South Carolina.

We have a few building projects for the year, and some very important events will be held at our church, like the Baptist Ladies Annual Congress. Please keep our plans in your prayers, that the Lord will guide and provide for everything.

We praise the Lord for the many blessings He gives us day by day and for your friendship, support and prayers.

May God bless your lives!

Yours for Uruguay,

Archie and Ruth Perez
