

THE STANSFORD FAMILY

PRAISE AND PRAYER LETTER

March 2022

Jeremiah 32:8-9 *Then I knew that this was the word of the LORD. And I bought the field.*

Thank you so much for your faithful support and interest in our family and ministry. As mentioned in our last letter, we have been trying to purchase some land by our church building. This is something that has been on the back burner for a number of years but recently has come to the forefront. We wondered whether this was the right time to pursue it, but the Lord was leading and working. In the midst of trying to get all the details ironed out, we came across a devotional that used the verse above and the story of a man who made investments during the Great Depression. The point of the devotional was that it is never foolish to trust God and His leading. The deal has now been finalized and the land is ours. As well, the Lord led one of our supporting churches to donate over \$5000 towards the purchase! You can read about our plans for the property here... ----->

Recently, we were contacted by a gentleman who told us that he has been watching our services online since last summer. He also told us that he trusted Christ as his Saviour on November 8 last year! He and his wife have been out to our services for the last four weeks. Please pray for Russell and Debbie and their spiritual growth.

We are excited that covid restrictions are about to be lifted here in Newfoundland. Summer ministry planning will now begin in earnest. We covet your prayers for wisdom and strength!

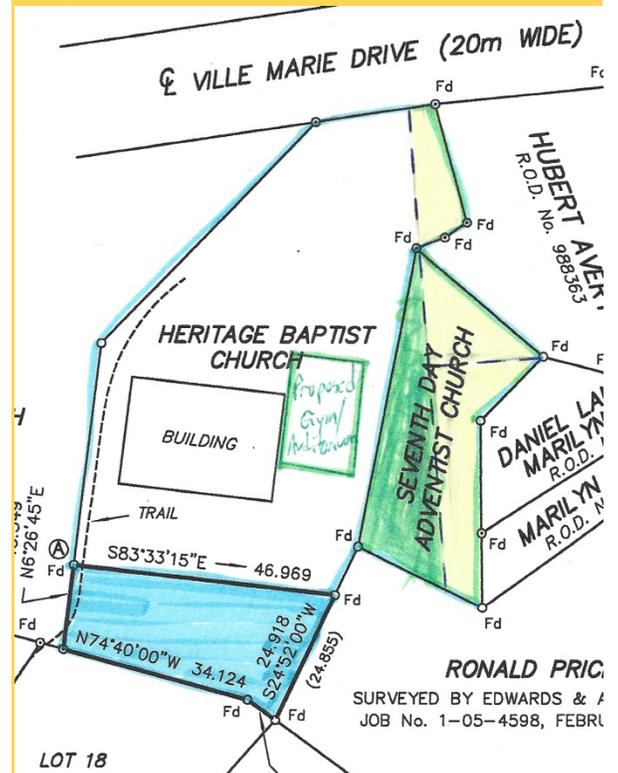

With grateful hearts,

Boyd, Sarah, Joshua, Amy, Carly, Levi, and Kalynn

Our property plans:

1. Sever off pieces to two neighbours for their purposes
2. Expand our field in the back for more play area
3. Use space for a proposed outdoor and more building when needed
