Dear Pastor Robert E. Wall and Faithway Baptist Church members,

Greeting you all in Christ's precious name. We pray and hope that you are all fine. As for us here, we are fine. Praise the Lord. Truly, God is merciful and gracious.

Concerning our Chapel construction, we appreciate you so much for your prayers and helps. By the grace of God, the construction continuous. It is progressing little by little as the Lord provides. By this time, we are making the canal by the fence because our area is a catch basin when the heavy rains fall on our place. We need to divert the water ways. Lord willing, we will resume the building of the wall of the pastoral house when we finished the canal.

While the carpenters are working there at the upland, we do soulwinning and hold home Bible studies at the lowland. Mr. Allan Llosala and his wife Tuchie, our neighbors received Christ as their Savior. Their home is open for Bible studies every Saturday. We also continue our midweek Prayer Meeting at Baras town at Banaag residence.

We thank the Lord so much for Brother Meneses Jesuitas and his wife Shaira for helping us in our music ministry. He is our song leader. Please pray for the Ross brothers: Salvador and Russel. They received Christ as their Savior last July. May they grow more spiritually.

Me and wife Aurora are very thankful to God that He used us to lead a teenager to the saving grace of Christ some years ago. Her name is Bernadette Pindog. She got saved when she was a senior High School Student at Tanay National High School. Now she is a faithful Christian, serving the Lord at Harvesters Baptist Academy at Binan City, Laguna as a school teacher.

Last night, August 9, she invited me to preach the gospel to her relatives and neighbors that are bereaved for the death of her sister, Mrs. Leni Celeste, who died of breast cancer at the age of 37. Quite young. And praise the Lord because Bernadette's father Victor and her sisters and nieces received Christ as their Savior. Oh, what a joy! Victor is very weak bed-ridden-experienced stroke twice. But now, he is saved; saved forever.

I went home rejoicing and praising the Lord for He saved one precious soul from the fire (Jude 1:23).

Well, I must close. Again, with all my heart, I thank you so much for your prayers and support. May God bless you all always.

Yours in Christ,
Felipe and Aurora Flores

At last, Bernadette's father Victor received Christ as his personal Lord and Savior after many years of praying. Praise the Lord.

Bernadette's sisters received Christ also as their Savior.

Thank you so much for having a big part in our church planting ministry. May the Lord bless you more my dear Brothers and Sisters in Jesus Christ.

We celebrated our youngest daughter Elizabeth's birthday at our new chapel last August 7, 2022. It was a sweet fellowship also with our members.

This will be the second floor where my family will stay. That is the stairway.

This is the water-way to avoid flooding in our place.
