May, 2022 Prayer Letter

Dear Friends,

After two cancellations, (2020 and 2021) we were finally able to have a Europe Field Conference in Beatenberg, Switzerland! It was a great time of fellowship and encouragement for those attending.

Obviously, the setting in Beatenberg was spectacular. However, the best part of the conference was not the scenery but the time to be together to share how the Lord is working in different ministries. Dr. Snyder was so very gracious to attend and share the Word of God with us in each session. The messages were spot-on. Additionally, we were privileged to give 25 Year BIM I Pins to Daniel and Elizabeth Canavan (actually 26 years now in Ireland) and to Daniel and Patricia Dubbe (actual time with BIM I in Germany 34 years). We are really trying to get everyone up to date on their pins. It is hard with furlough schedules, etc., but we are getting close to having everyone on schedule.

It was also a special privilege to have David Hodges, Jr., pastor of Tabernacle Baptist Church in Kingsport, Tennessee go with us to provide a program for the juniors and teens while the adults had their sessions. He did an outstanding job! I first met David when he came as a three year old boy when his mother and father, David and Judy Hodges, came on staff at the first church where Carole and I served in Henderson, Kentucky. What a blessing to see how God is using him!

Another blessing was the message given by Dan Dubbe, missionary to Germany, dealing with how he and his wife have been able to reach into the refugee and immigrant communities in their area. He gave valuable insight that will, no doubt, be of practical use to many of our missionaries who will be having refugees locate near them.

Please use the link I have included to view the pinning of the Canavans and the Dubbes as well to view the entire message by Brother Dubbe.

We are preparing now for Candidate School in June. We have a really good number of new candidates as well as year two candidates. It never gets old to see how God calls laborers into His harvest. To hear their testimonies and to have a part in assisting them as they get started is an honor. Please pray for the Lord's blessings on Candidate School, Camp BIM I, and Enrichment Week during the summer months at the home office.

In the fall we will be traveling quite a bit – our schedule is filling up quickly for September through the end of November. We will be seeing some of you, and wish we could see all of you. But, until we do, please know that we hold you in our thoughts and prayers and are sincerely thankful to be co-laborers with you and with our Lord in the greatest work in all the world.

Your friends,

Ed & Carole Hembree
