

Ortiz Family Building Project

Update #8 April 1, 2022

We are buying!

About one year ago we started a fund raising campaign to purchase and build the future home of Abundant Grace Baptist Church in Mexico City. Well, as I am writing this, we are waiting on the public notary to finalize the purchase—this is amazing news!

We still have a long journey ahead of us, namely, building permits, zoning regulations, and construction, but we are eager to face these challenges—we just want to move forward in faith, nothing more, nothing less.

Pray for the remainder of our project, for wisdom and for provision as we make important decisions that will impact generations to come.

Dear friends, thank you so very much—from the bottom of our hearts, thank you. Thank you for believing in this project. Thank you for giving, for being generous, and for participating in a cause that will bear eternal dividends.

We will keep you posted on the progress as soon as more information becomes available.

If you would like to contribute towards this project, please click [here](#) to make your donation (*all donations go through BIMI*)

We need to build soon! Our current capacity is reaching its limits. The small place that we have been renting for the last 5 years, is proving to be insufficient.

We can comfortably accommodate 100 people in the auditorium, and we have been forced to hold three services for the last few months!

Every Sunday we get closer and closer to reaching full capacity in all services. We urgently need space, rooms, offices, bathrooms, etc. Please pray with us that this project becomes a reality.
