Missionaries in  
the country of  
**ARGENTINA**

June 2023

Dear Prayer Partners,

Thank you for praying for our safety as we traveled back to the States for furlough. It is always difficult to say goodbye, but we know that in a few short months we will be flying back to Argentina. We arrived in the States on Tuesday, April 4<sup>th</sup> and got right to work getting settled in and preparing for travel. Thank you for praying for a van. We are thankful that God has provided a very nice, used minivan that works great for our needs. We only had two weeks before our first road trip and were excited that God worked out so many details to make the trip possible. We were able to report to four of our churches on that trip. Since then, we have had a little more family time, but are now preparing for nearly three months of travel. Our schedule is very full until September, and mostly full in October.

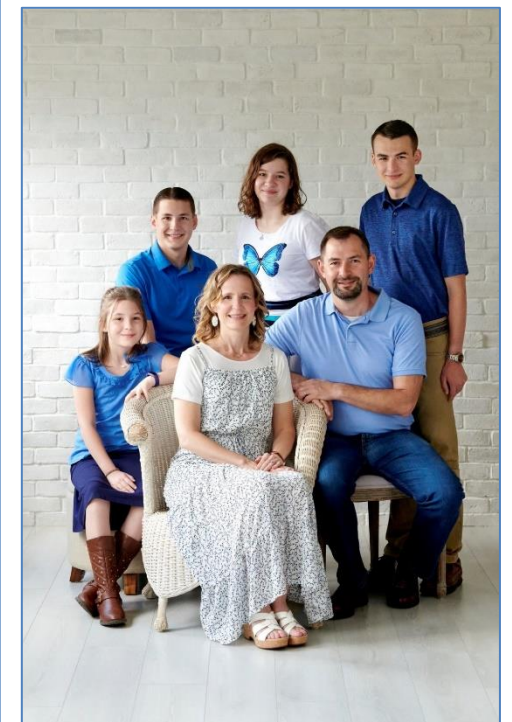

For the most part, when scheduling meetings, we plan to give priority to our supporting churches, but we are also praying that we will be able to pick up around five new supporting churches to replace lost support and raise some additional funds for starting a new work upon our return to Argentina. Some of the expenses that we will have while starting a new work will include moving to a new city, renting a location for church services, a church sign, and literature such as tracts and brochures. Please keep these special needs in prayer and pray that we will be able to pick up additional monthly support as well.

Our children are doing very well and are loving every moment of being with their family and friends. They are currently continuing with their homeschooling, which is on Argentina time; March through December, but will also get to take advantage of a summer break while here in the States as well.

Thank you for your faithful prayers and support.

Justin and April Grinstead and Family
