

November - December 2024 Prayer Letter

A full schedule

As always, things are going full throttle here in Colombia. Our ladies had a wonderful ladies meeting and were encouraged with great fellowship and challenges from the Scriptures on how to be a godly women. Our Saturday soul winning team continues to grow and every week we pass out a lot of tracts and witness to a many people. We continue to have weekly visitors and many of these visitors have put their trust in Christ. I will be baptizing some of these new believers in November. Our missionaries to Santa Marta, the Duartes, have been doing great on deputation and God has opened doors for them to visit churches and raise their support like I never thought possible. They are scheduled to move in March to begin the new church. On December 1st we will celebrate our church's tenth anniversary and hope to have a big friend day so we can preach the gospel to many visitors. We also have a music recital and Christmas play coming up in the next few weeks. What a blessing it is to serve the Lord and be active in ministry.

Preaching around the world

As I mentioned in our last letter, we have done some traveling these last few months of 2024. I took two of my men with me to a preach in an RVG Bible conference in Peru. It was a great experience for them and they were able to meet many pastors and new friends. Juan Guillermo Duarte was able to lead a man to the Lord while there! I also have had the privilege of preaching in three missions conferences including that of our home church. We were actually in Florida when the hurricane hit and in Fort Pierce when all the tornados came through. It was a bit of an adventure but the Lord kept us safe. While in Florida, I was invited to speak on the Landmark Radio station, a ministry of Landmark Baptist Church in Haines City. They told me that they have been using the online services from our church in Colombia and I have been preaching on their Spanish radio station three times a week for the last few years. What a blessing to see God letting our ministry be used in unexpected ways. Thank you all again for your prayers and support.
