Dear Faithful Supporters,

June 2024

Welcome to Summer! We want to start by saying a big THANK YOU to all of you who have given and sacrificed toward the beginning stages of our building project for Bruceville Baptist Church. What a blessing you all have been so far! Because of your gifts we are well on our way with the building. It has not been without some hiccups along the way, but what building project does not have hiccups? However, it has been exciting to see the progress.

In between our regular church activities, our Bible Conference (last week), and our Kids' Bible Clubs (coming next week), we diligently work on the building.

We are still in need of finances to continue building, and as the finances come in, we are hoping to finish the first stage of the building within a couple of months and then proceed to the second stage.

We completed our yearly Bible Conference in June with our special speaker/preacher, Dr. Al Stone from Ontario, Canada. We had two wonderful nights in Dennerly with around 60 folks. Both of our church families were grateful and blessed by Dr. Stone's preaching. We are praising the Lord for the decisions that were made those nights.

We were also able to hold our very first conference in Bruceville this year. What a great time that was! It was full of fellowship, food, and fantastic preaching by Dr. Stone. We were very pleased with the turn out of 40 people (mostly from the community) this year. The community around knew that something great was happening there that day! Please be in prayer for the 5 first-time visitors we had from the community, that they may return and ultimately receive the Lord as their Saviour. What a blessing that would be!

Once again thank you for your part in this ministry. We are thankful for each one of you and for your continued prayers, encouragement, and support.

May God bless you as you continue to serve in your part of the world.

Wes and Faith-Ann Bartley
