Furlough News

We are very glad to come to the end of our furlough traveling. We have tickets to return to Honduras in mid-June, shortly after our son, Jordan's, wedding! These past few months we have visited many of those that have partnered with us throughout the years. God has also met the need of a van for our ministry! We are now in preparations to get the van shipped to Honduras!

New Church Plant

Pastor Dolvin Avila in El Horno has a burden for an area where we used to have our home. Several of our old neighbors travel to his church from this area. The road leading to the church has made it very hard for these members due to the distance on very bad roads. A few weeks ago, land was donated in this area for a new church building! We are excited to see the birth of this new work in the area called El Sauce.

Help Needed!

We are asking for help! Several churches have partnered with us to sponsor pastors for this year's training sessions. The goal is to provide high-quality Gospel tracts, study material, and Scriptures to every pastor who comes. We are limiting attendance to ensure everyone gets the same opportunity to receive help. If you would like to help sponsor a pastor, please let us know. You can support a pastor to receive all these supplies as well as lodging, food, and training for \$100 per pastor. That will help cover the cost of printing the materials and having the study resources shipped to the conference center ahead of the conference.

Please Pray for the Following:

1. The souls saved since our last prayer letter.
2. For growth for the nine churches that have been started.
3. For Walter Enrique Miranda as he raises support to start a new church in the city of Catacamas.
4. For the finances to build classrooms on the conference center property for the Bible college. Praise the Lord for the \$34,000 already given towards this project.

Thank you for your prayers,
