Preaching the Gospel of Christ in **LIBERIA, WEST AFRICA**

Dear Praying Friends,

December 2024

We hope and pray that God has blessed you all with a Merry Christmas and a blessed start to the New Year! God has been so good in 2024, and we are excited to see how He will continue to guide and provide in 2025!

Praises

Praise the Lord, our linguistics training at Baptist Bible Translators Institute is halfway complete! This semester is beginning with courses on morphology and syntax, as well as language learning methods and how to practically apply them. The past four months have flown by, and we know that we'll be done before we know it!

The biggest praise that we have for this quarter is how God has continued to guide and orchestrate with our literature container project. Kyle was able to fly back to North Carolina in October to complete the packing of over 100,000 John and Romans, 1,400 full Bibles, and over 3,000 New Testaments and hymnals from Bearing Precious Seed. We are very thankful for all the help from the students at Ambassador Baptist College with wrapping these boxes to protect them from humidity. When we visited North Carolina again over the Christmas Holiday, we were able to pick up the remaining 30,000 Gospel of John booklets printed by Plain Paths Publishers out of Crossroads Baptist in North Carolina as well. It has been quite a blessing to see God bring these materials together!

Plans and Projects

Over the next few months, we are going to be focusing on dealing with the nuts and bolts of planning our move to Liberia, as well as working to conclude our literature container project. We are still working on shipping logistics, so please be in prayer for that. We are also beginning to raise money for our setup fund for when we move to Liberia. We are hoping and praying that God will bring in the funds necessary in the next few months while we complete our linguistics training so that we can head for the field as soon as this is done. We will be furnishing our living quarters there in Liberia, and we are planning on purchasing a Toyota Land Cruiser in country – this can be quite expensive, but it is the industry standard for NGOs in West Africa, and it is a must-have for ministering outside of the capital city. Schooling ends in May. Please pray for us as we are prayerfully planning to leave in June!

Prayer Requests

- Please pray for the shipping logistics of our Literature Container Project
- Please pray that the Lord will supply the funds for our setup and vehicle funds as we plan our moving in June!

Thank you for your prayers,
Kyle and Elisabeth Burchwell
