SERVING THE LORD IN

Liberia
WEST AFRICA

Dear praying friends,

March 5, 2024

Two months into 2024 finds us in the midst of another very busy season of life and ministry. Here is what we have been up to since our last update letter.

- **Family News** - In January, Jackie and I celebrated our 11th wedding anniversary. I am so thankful for the wonderful helper and companion that God gave to me!
- We also took a few days off for a family get-away at a beach-side guesthouse. It was nice to unplug and focus on building relationships as a family.
- Although we had been told it would take until March/April, we also received Micah's Canadian citizenship certificate in January, and were subsequently able to get his Canadian passport as well!
- Last fall we decided to purchase the components for a swing set and have them shipped here for a Christmas present for the children. The container was delayed in getting them here, but by the end of January we had received the shipment, built the frame, and the kids were able to enjoy their present!
- In February, Amelia began virtual piano lessons, and she is doing very well so far.
- Micah celebrated his first birthday in February as well. He is healthy, can crawl, and is starting to pull himself up on things as well.
- **Ministry News** - January started off with a bang, as we were able to have a baptism on the first Sunday of the year! Esther, whom I led to the Lord last year, was baptized and added to the church membership. Last week we had **three more members** added to the church. Please pray, as there are at least three others who want to join our church as members, and who are in various stages of the process of doing so.
- In our last letter I mentioned that we had lost one of our main teachers due to issues in his home. In January one of our other teachers asked to step...

...back from his teaching roles due to a desire to focus more on his own spiritual growth. Then a third teacher moved four hours away to attend university. Please pray for more labourers to be raised up.

- On that note, it is my privilege to be teaching a History of Missions class to about 30 college students this semester. What a blessing to be able to invest in the spiritual leaders of today and tomorrow.
- **Looking Ahead** - Next week (March 10-17) we are hosting our annual Missions Conference at Temple Baptist Church. On March 3rd, I found out that the speaker that was scheduled to preach the conference would not be able to come, due to his wife's health condition. Please pray for he and his wife, but also for us as we have to pivot and make last minute plans for the conference to go on without them.
- The following week (March 18-22) we have a special one-week training session for our college students. Please pray that all the details for that would be worked out, for the safe travels of the teachers, and for the students to be greatly helped by the training.
- In April, I hope to be able to get back to my TEFL training, to do some much needed projects for our home and family, and prepare to start taking classes of my own, as I will be working toward a Master's degree.
- **Praise and Prayer**
 - **Pray for** wisdom as new members are added, ...our Missions Conference and college training, ...more labourers to be raised up, ...grace for the busy ministry and family schedule.
 - **Praise God for** 11 wonderful years of marriage, ...time away as a family and a swing set for the kids, ...baptism and new members, and a good semester!
