-David Brainerd

From fear to salvation

Recently a family in our church brought their friend Angela Lucia to one of our services. She had been to some charismatic churches and considered herself a Christian. The problem is that she did not truly understand salvation. Like most evangelicals in Colombia, she believed that you can lose your salvation and lived in constant fear of hell. After hearing the preaching in our church and doing one-on-one discipleship, she trusted Christ fully and experienced true salvation. What a joyous occasion it was to baptize this dear lady and rejoice with her as she now has peace with God.

Fruit that remains

We continue to see fruit from our vacation Bible school that we had last June. On the right you can see a photo of three teen girls being discipled. The girl on the right is Maria. She first came to our church during VBS and has been coming ever since. Lately she has become very faithful to the services and wants to help and serve in the church. She came to soul winning one Saturday and I asked her about her personal salvation as I was not aware she had made a profession. She told me that she had heard the gospel many times at our church and last week she put her faith in Christ while by herself in her home. What a joy it is to see young people from VBS still getting saved! Please pray for another faithful teen named Thomas who still has not made the decision to be saved but I believe is very close.

Future work

We are very excited about an upcoming project that is scheduled to begin in 2025. Juan Guillermo Duarte and his family have been in our church for the last nine years. Juan has graduated from our Bible Institute and has been faithfully helping and serving for many years. He is a tremendous soul winner and preacher and God has called him to the ministry. As such, our church here is planning to send his family out as church planting missionaries to the city of Santa Marta, Colombia. Santa Marta is a city of 1 million people that does not have a fundamental Baptist church. Our church will be working closely with Juan and his family especially during the beginning stages of the church plant. Please pray for this upcoming project and we will have more details in future updates.
