October 2023

Dear Pastors, Supporters and Friends,

We are very thankful for those that pray for us and continue to support us through all the years that we've been in Japan. We are always amazed at what God does by supplying our needs above all that we ask or think. In August, we had a young man and his grandfather come to help us in the ministry for three weeks. They were busy passing out tracts, inviting people to church, and attending the services. Because of their help and hard work we were able to pass out 9,000 flyers for our special meetings. The young man, Pierce, is planning on being a missionary in Japan. We are praying that that will truly come to pass. We need missionaries.

We had our special meetings on September 10 with Pastor Saeki, from mainland Japan, preaching for us. We had two new visitors and five returning visitors; it was a great blessing! One of the families has continued to come to church.

On September 2 we had a Day Camp with three churches involved. There were over 50 who attended with great fellowship and preaching of the Word.

Pastor Yoshida (yo she dah) from Shinko (sheen koh) Baptist Church was invited to speak at Maranatha Baptist Church on September 17 during which time I interpreted for him. We had a great time in the Lord.

I've had some checkups concerning my A fib at a good local hospital here. There has been no change, for which we are thankful, and things are going well. Please continue to pray for my health and also Terri's fibromyalgia.

1. Please continue to pray for souls to be saved and new missionaries to be called.
2. Pray as we continue to pass out tracts and invite people to church that God would speak to their hearts
3. Also continue to pray for those 9,000 flyers we passed out that someone would still come to church and get saved.

Thank you for your wonderful support and prayers for us as we labor together here in Japan.

Yours, for the harvest of souls in Japan,

Dan and Terri Gardner
