Dear Praying Friends,

It is with great joy that I once again report to you the blessings of God on the ministry that God has given to me and to those who support it. During the first three months of 2022, I have had the privilege to preach in the following states: West Virginia, Florida, Ohio, Mississippi, Tennessee, Colorado, and Indiana.

I have often asked you to pray that God would give me physical strength and spiritual power. He has done that and for that I am grateful to God and thankful for your prayers. We have a great verse in 1 Corinthians 3:9, *For we are labourers together with God.* What a joy it is to know that I have wonderful people like you with whom I am working. What a blessing it is to know that we are not working alone but with God!

The rest of the year looks very busy. I sometimes wonder how long I can go. But by the grace of God as long as I am needed and I have physical strength, I would like to be involved in the ministry of world evangelism.

The hand of God has obviously been on the meetings. We have seen many people saved. Interest in missions has been wonderful. Most churches have experienced a sizable increase in their faith promise giving. Some people have committed their lives to the ministry of oral evangelization.

Thank you again for the opportunity to minister with you. Without you, I could not possibly do the work that God has given to me. If I can be of any personal assistance to any of you, please do not hesitate to let me know.

Yours because of Him,

Don Sisk
