January 2025

Dear Pastors, Supporters, and Friends,

Hope you're enjoying the blessings of God during this first month of 2025. Just wanted to let you know that we appreciate your support for us and to assure you that we are still faithful and serving the Lord. We will be heading back to Japan for three weeks in March to help with the Bible College graduation and visit a few churches.

Our plans from now on are to visit churches that would be interested in us presenting missions and trying to recruit new missionaries. We will also return to Japan every so often when needed to fill in for furloughing missionaries, and for special meetings.

If you are interested in us coming to your church to present missions and report about what God has done in Japan, please feel free to contact us at 763-245-2167. Please note that the telephone number that was listed on the previous letter is not correct. Also, the address that was put there said Michigan as a state, but we are in Minnesota.

Please continue to pray for our physical and financial needs and safe travels.

We do want to thank you for your faithful prayers and support throughout the years that we have been in Japan. We also want to thank those who sent in special Christmas offerings for us this year. It was a great blessing to us.

May the Lord bless you as we continue to partner together to serve our Savior.

Sincerely in Christ,

Dan and Terri Gardner/Japan

BIMI MISSIONARY
