Dear Family and Friends,

The last couple of months have been full on busy. From August 26<sup>th</sup> to September 9<sup>th</sup> the Bible Institute students were staying with us while Mrs. Brittany Bankston taught a music class. While here they taught our kids classes and shared testimonies in our Sunday School hour. They also lead music and sang several special numbers for us; we really enjoyed every minute. I personally enjoyed taking them out sight seeing a couple of times and having some great conversations with them about the Bible and daily Christian living.

In July I traveled to Hamilton New Zealand and Fellowship Baptist Church to finish installing the Baptistry that I was asked to build for them. I built most of it in my driveway and when I finished Pastor Logan Bankston delivered it to the Church on his trailer. The Church had another man lined up to fiberglass the Baptistry and he did a great job. After he finished his part, I went up to do the plumbing on the baptistry and finish the exterior of the unit. It was great to see the video of 3 people being baptized in Fellowship Baptist Churches new Baptistry. Praise the Lord.

There is much going on here in Masterton. First, pray for our neighbor, Chance, he is 15 and came to Church with us for the first time 2 weeks ago. He has been coming over talking with me about God. He needs to be saved and knows that there is a God, but he has been taught many false things about God. I have him doing some work for me so that he and I have more time together. He also has 3 siblings that come every other weekend, Ashton, Reagan, and Rickilee, and they also need Jesus.

Secondly, we have a gentleman coming to Church, Mike, and he is not saved as well. He came to me after Church trying to understand salvation. He is around 60 and is need of salvation. We have talked since, but he is still unpacking what he has been taught all through life. He sees the difference in our Church from others and has stated that fact this way, "you have the white light, and I am in the dark". Please pray for this dear man Mike.

Thirdly, we have been approached about considering being Chaplains for a program called *Lifewalk*. It is a program that would allow us 4 hours a week and one of our schools is town, to speak with students who would be referred to see us by a teacher, parent, or self-referred. There are positive things about this but also some negative things as well. Please pray for wisdom for me and Pastor Logan Bankston as we seek God's wisdom on this.

Please pray for Dawn, she has a viral infection and is in the third week of it.

Thank you again for your faithfulness in praying for us and financially supporting us to be here to minister to these people.

Serving Him,  
Jerry and Dawn Judd
