Dear Pastor Robert E. Wall and Faithway Baptist Church members,

Greeting you all in Christ's precious name. I hope and pray that all is well with you both physically and spiritually. Thank you very much for your prayers. By the grace of God, my wife Aurora and I are well physically.

Concerning our activities here, by the grace of God and your prayers, we continue our soulwinning works. Kevin an Information Technology graduate working at Angeles City, Pampanga province came over to Tarlac City. My niece Catherine asked me to share the gospel to him. After explaining to him the gospel, he received Christ as his personal Savior. Praise the Lord! But it is very dangerous in the first place for a Christian woman to entertain a suitor who is not a believer in Christ. II Corinthians 6:14-18. It is absolutely right to have a faithful Christian life partner. This is the will of our heavenly Father.

Also, Joan Kim, Ivonne's daughter received Christ as her Savior. Brother Joey and his wife Ivonne, the Saldinos, are attending our Church now. We are holding Home Bible study in their home every Tuesday. May the Lord open more doors for the gospel.

It is really good and a joyful feeling and we praise the Lord when we see those people whom we led to Christ to be their Savior, how they mature spiritually. Some of them are living in Canada, Europe and in the Middle East now. And the good news is they continue serving our Lord and Savior Jesus Christ.

Last July 21, we attended the 40th Anniversary of Independent Baptist Mission for Asians. We met some long-time friends – fellow missionaries still fervently serving the Lord.

Please pray that the Lord would continue to strengthen us both physically and spiritually. Also, that those new believers would grow more spiritually.

Well, I must close. Again, thank you so much for your prayers and support. May the Lord bless you more.

Mark 16:15

Yours in Christ,
Felipe and Aurora Flores

Thank you very much for having a part in our ministry. May the Lord bless you much more.

The cottage where we stay and at the right side is our chapel. Please continue to pray that God would help us finish the parsonage. Thank you.

The proposed parking lot was damaged due to heavy rain, but no discouragement, God will help us. The work may resume next dry season.

Every Tuesday we hold Bible study classes at sister Joan's (right) clothing store. They all received Christ as their Lord and Savior. This time, I am teaching them newness of life in Christ.

We are rejoicing to meet our fellow missionaries still serving the Lord. We haven't seen them for a long time.
