Serving Christ in the Dominican Republic

Dear Pastor and Praying Friends:

July 26, 2023

We send you warm greetings from the Dominican Republic. It is our prayer that the Lord bless you, your family, and your church in a great and mighty way!

Many times it seems to take a while for us to see results with many people. There is a neighbor of ours, in our church community, named Santo. Multiple members of our church have witnessed to him and invited him to come to church for many years. Last month he got so sick that his doctor told his wife that she, her family, and friends needed to prepare for him to die. He even told his wife not to worry, but to just take him home for him to die. Praise the Lord, he did not die! But he did get saved and has started attending our church services. On Saturday I went to visit him to follow-up with him and to try to help him with his Christian growth, but he was not home. However, with him not being there, my soulwinning partner and I were able to talk to his wife, Daniela. She got saved! From there we went to another home, where one of our faithful church ladies helped me find a person that I wanted to witness to. But the faithful church lady had the wrong person there. The wrong person, Venise, of course was the right person for the Lord! Venise and her aunt got saved! The Lord also allowed me to witness to three others there, although they did not get saved. Venise came and was very excited to be in church on Sunday. God is so good!

I want to thank the Lord for healing me of a health issue I have had for the last 5 months. Also, please pray for another issue that I have been dealing with off and on for over the last 4 years. Please pray that the Lord will heal me and, of course, that the Lord would give wisdom to a specialist I am going to go see.

This coming Monday, July 31st, through Thursday, August 3rd, is our annual Family Summer Camp. Evangelist Zack Cambell will be preaching for us this year. It looks like we will have between 250-300 this year, which will be our biggest attendance ever. Although our camp is really not an evangelistic camp, we are praying that the Lord would save some of the people there, because there are always some who aren't saved. Every year God takes people and puts them in a more inner circle of fellowship and service for Him at our camp. But God also usually gives us more laborers at camp. It is our prayer that our Lord, during camp will call and – "...will send forth more labourers into his harvest." (Matthew 9:38). We are praying for Him to do that and are believing that He will do just that!

Thank you so much for your faithful support of our ministry and for being our friends. God bless you!
