Praises

We are thankful beyond words for God’s protection of the life of our grandson Levi... he came out fine from surgery, and the tumor removed was not malignant! Praise the Lord!

We have a new precious granddaughter, Isabella Grace. After years of wanting to adopt, our son Mark and his wife Yanina were given a sweet baby to raise as their own. We are so grateful to God!

Mark and Yani have been appointed by Baptist World Mission! What a joy it will be to have them, as well as John and Beth, serving in Uruguay as missionaries. Pray they may raise the support they need and for God’s protection as they travel.

Dotan (the Jewish man we are trying to reach for the Lord) has attended some services. His daughter Paz, who has become a believer in Jesus, and his mother-in-law, Felicia (who is also Jewish), are attending services regularly.

We were able to spend the day with our church in Nueva Helvecia as they celebrated 12 years since they started there. God has provided the money to buy a lot. They made an offer, and it was accepted! Lord willing, soon the paperwork will be done, and the plans for the building are on the way.

Last week, we traveled to Artigas to visit our church there, the ministry of Pastor Gustavo González. We had three days of the Family Conference where I preached, and Ruth taught. What a tremendous blessing to see the growth of this church!

Church in Artigas

Prayer Requests

Furlough plans towards the end of 2024.

Mark and Yanina Perez and John and Beth Briley raising support to come to Uruguay as missionaries.

We have a one-day Homiletics conference coming up where we will be expecting most of our Baptist churches to attend. Pray for a very fruitful conference.

A music team from Maranatha Baptist University will be here in the middle of May to minister with concerts, teaching, and preaching. We pray God will greatly use them as they teach and inspire our people with godly music that honors our Lord.

Our son-in-law, David González, will be ordained to the pastorate on June 15, Lord willing.

We will continue with our Family Conference for four more weeks. What a tremendous need for biblical guidance our church family has, especially the new Christians who come from broken homes.

Thank you, dear pastor and friends, for your continued and faithful support! Thank you for always praying for us and keeping in touch.

May God be glorified in everything we do together for His Kingdom!

Yours for Uruguay,

Archie and Ruth Perez
