

# NAVARRO FAMILY MONTREAL

June 30, 2024

Dear Pastor and Praying Friends,

Thank God over the last three months, with all the events that we had at the church. We were able to bring our daughter Elizabeth to the Youth Conference at the Heritage Baptist Church, and it was a blessing to be at our home church to be a part of the conference and to hear the preaching. Our sons Joshua and David came back with us from Bible College and they have been a big help in the ministry and we are thankful to have them with us.

We are happy to share that Immanuel and Danielle had their twin girls, Lily Carol and Evelyn Hope, born April 28. We praise the Lord for their safe arrival and for Danielle's quick recovery.

We also had a young couple in the church have their first child, a baby boy on April 29. Since then I've done 3 baby dedications for three families in the church. And it is always a privilege to dedicate these little ones to the Lord and to share the Gospel with the visiting friends and relatives.

We have had 22 visitors at the services over the course of the months of April, May and June, and by God's grace, 6 of these visitors have continued to come to church to this present time, and 1 of them, has been attending soul winning with the rest of the soul-winning group as well.

We had a busy month of May with the Sunday School doing a special Mother's Day presentation and there were 46 mothers present in the service who received a flower and a gift card and heard the Gospel.

We had back to back services with a special pot of blessing lunch in between.

This year we had a Ladies Fellowship to encourage the women both young and old to grow in their spiritual lives. Ms Susanna Homan from Heritage Baptist Church was the guest speaker, and the ladies were helped, encouraged, and challenged to move forward spiritually in their christian walk. It was a great time of fellowship and learning from God's Word for the ladies.

For Father's Day the Sunday School class also prepared a special presentation for the Dads, with a gift card for the 27 Dads present and I preached a message on Luke 15 on the Father and the prodigal son. I thank God that one of the young people in the church has started coming back again to Youth nights and getting involved in church activities again. We have been praying for him and my sons have been trying to encourage him and point him to the Lord.

We have been making the most of the warm weather, and going out soul winning and tract distribution weekly, talking with the people that we meet on the road. I recently had the opportunity to talk at the park near the church, with a 70 year old man from Trinidad, and I shared the Gospel with him. He listened intently, took the tract, and said that he would think about what he had heard. Please pray for George that the seed that was planted in his heart, would be used by the Spirit of God to save him.

Throughout the month of June, we have been giving out VBS flyers on the streets of Montreal and at the parks, for our annual Vacation Bible School, inviting children to come to this week long event from July 1-5.

Much prayer and preparations have been done and we ask for your prayers as we try to reach the children and plant the seed of the Gospel while they are young. 2Corinthians 9:8.

My son David invited three young men to church that he has been trying to reach with the Gospel for a long time. He had invited them to VBS last year, but they finally came to church on a Wednesday night, to our Bible Study. All three of them prayed to receive Jesus Christ that night. Praise the Lord, and we pray that they will grow and come to church as well.

# NAVARRO FAMILY MONTREAL

Please pray for us as we will be heading to Vancouver for our son Christian's wedding and to see our grandchildren. We are looking forward to this wonderful occasion for our family, and also for a little refreshment.

Thank you so much for your ongoing prayers and support for the work here in Montreal. We are so thankful for you and we are continuing to keep you and your ministry in prayer. It is our privilege to serve the Lord in this part of the field, as we seek to proclaim the Gospel, and share the good news of salvation through our Lord Jesus Christ to the souls in Montreal. John 17:3.

Prayer Requests:

Salvation of souls in Montreal

**VBS from July 1 - 5**

Trip to Vancouver

Spiritual Growth of the brethren

Health and Guidance for our family

Wisdom and direction from the LORD for the ministry

Upcoming Events

Expansion of Sanctuary

Your co-labourers,

The Navarro Family (2Corinthians 4:5)
