July 2024

Dear Pastors, Supporters, and Prayer Warriors,

Greetings from Japan. We have entered summer here and it has been very hot and humid. Many people are feeling the effects so it's hard to stay outside for very long. We continue to get the gospel out with tracts, witnessing and through other events that we have.

I have been busy lately with helping up at the Bible College on a project that we have had to get finished. Also, I needed to go to Kobe to submit papers to help a new missionary get the visa process started for them.

On July 13 we went to help Shinko Baptist Church with their Kids' Summer Festival that we have had every year when we were in charge. We were excited to have 95 people in attendance including kids, adults and the workers. Several kids raised their hands for salvation, believing in Jesus Christ to be their Savior. Pray that these kids would follow up and continue to come to Sunday school and church.

The work here at Seaside Baptist in Nago is going well. I have been able to help by doing some preaching at Seaside Baptist Church and leading the singing. We have several people coming but with the heat, high humidity and summer sicknesses several have been on and off in attendance. We have three who are not saved that are attending regularly at this time. Please pray for these to be saved and for our people to be careful with the extreme heat we are experiencing this year.

I will be preaching July 28 at Seaside BC; August 11 at Maranatha BC; August 18 at Shinko BC; and August 25 at Megumi BC. Please pray for those services. Also, I have a doctor's appointment for my A-fib on August 30. Please continue to pray for our health, especially during this heat of the summer.

We want to thank you for your faithful support and prayers for us here in Japan. May the Lord bless you for your faithfulness for his servants like us.

Yours for the Harvest of Souls in Japan,
