

The Bulawa Family
Serving Missionaries & Churches
 in the **FAR NORTH**

Summer / Fall 2023

Dear Prayer Partners,

From sea to shining sea, as the song goes, but this is also true of our travels since our last letter. In the past few months, the Lord has allowed us to be in churches and ministries from the Atlantic Coast of Florida, to the Pacific in California. There were also multiple trips to Canada, and plenty of places in-between. As we travel, we are often reminded of your faithful prayers for our safety — thank you! We are also thankful for the good response we saw in a number of churches regarding both the need to give financially toward world evangelization through missions as well as surrendering to go.

Some of the highlights of the past few months include: Our Annual 2023 Candidate School at BIMI which was a blessing. It was great to be able to have a part in teaching and investing in the lives of these new missionaries.

2023 BIM Far North Field Conference

Joshua Camps

After Candidate School, we traveled to Canada for the BIMI Far North Field Conference. This was a time for missionaries serving in the Far North to come together for refreshment, and renewed vision. The Lord did some amazing things in this conference and it was so great to be able to spend time with these wonderful missionaries for a few days. Crosspoint Baptist Church in Ottawa went all-out in hosting us for this time — to say they were a blessing doesn't even seem to begin to express all they did!

A week after Field Conference, we were back at the World Missions Center for the annual BIMI Enrichment Week. This is a time for furloughing missionaries to come and be encouraged and reenergized for the ministry. It was a blessing to have three families from the Far North attend this week of activities.

The next week, I had the privilege of teaching missions at the West Coast Baptist College Joshua Camps. The Lord gave us a wonderful group of young people who are serious about following the Lord's leading in missions. It was a blessing to have two who made public their calling to be missionaries!

Media in Ministry
Camp BIMI

The next week, we were back in TN, for CAMP BIMI. The Lord did so many great things through this week! A very special blessing was that a young couple and a single young man surrendered to the Lord's calling to serve as missionaries in the Far North. The couple has already made application to attend Candidate School this December, and the young man still has to complete his schooling before he can take that step. Please pray for these and several others who expressed sincere interest in serving in the Far North.

The Lord also allowed me opportunity to produce 4 ministry videos over the past few months. Please pray that He will use them to help further the cause of the Gospel

Our Fall schedule still has a couple of openings, please pray with us that the Lord fills the schedule. Presently we plan to travel to Canada, California, Florida, and several other places in-between. We would appreciate your prayers for safety and for our vehicle to run well through this time.

Finally, thank you for your faithful prayers and support. We trust the Lord will continue to bless you and that fruit will abound to your account.

For His Glory

T. Bulawa
