

Carolynn Sharp's Update for January / February 2022

What great things the Lord has done. Sometimes we get to watch God work, sometimes we are the benefit of His orchestration of events for His purposes. Let me explain.

The last few years I have been concerned for the obtaining of supplies for the New Hope Pregnancy Center (NHPC). Over the years churches in both the USA and Canada have contributed to the need for baby clothes for which we have been very grateful. These were shipped to Minneapolis for a container to Liberia. Those resources are not available now.

BUT GOD was working. After the quick update I sent in December to supporters asking for help for our counselors at the (NHPC) to encourage them – you encouraged us. A great thank you to those who sent donations to help. It helped us get some baby items there in Liberia.

Then last summer God moved a lady from a supporting church in NS, Canada to live in my area and attend another supporting church. In Dec. after hearing about the urgent need I wrote about in an update to supporters she contacted me. God has placed her into a ministry out of Vancouver here that ships supplies to Liberia. She contacted the leaders of the foundation both here and in Liberia to put in motion the sending of baby supplies for our ministry. I was a bit stunned as to the amazing way this happened - right here in my back door. All I can say is, "WOW, look what God did for us".

Then on Tuesday January 25 I was able to talk with leaders at the New Hope Pregnancy Center in Liberia. They were so very encouraged to hear what God has done. BUT – even greater, they encouraged me by saying that a young lady being counselled that very hour accepted Christ as her Saviour. Young ladies who have been saved are attending church and growing in the Lord. This is the fruit of the ministry through your prayers and financial support. How grateful we are for your teamwork in this ministry.

Praises – salvation this week at NHPC; new resource for baby clothes has been offered;
- Ma Esther's improved health allowing her to be back at the NHPC in her leadership position
- Sis Emily who has longed to take computer classes is starting next month as a result of a donation. Besides counseling and taking care of the clothing ministry, she is the joyful Assistant to Ma Esther.

Again, rejoicing in God's provision through you our partners. Thank you so very much.
