Missions Conference

In July our church had its annual missions conference and it was the best one yet. Pastor Manny Gomez from Mexico was our conference speaker and the Lord really blessed the messages every night. Our Homeschool Group got involved by preparing presentations of famous missionaries of the past and display boards from countries all over the world. We also had a tremendous missions banquet on Saturday night. This year we were blessed to host two missionaries from the Philippines. One is a missionary to Costa Rica and the other to Colombia. I was very impressed with their character and zeal for the Lord and our church here in Colombia took them on for support! We also officially took on and sent out our home missionaries, the Duarte family, to the city of Santa Marta. He is currently on deputation and is traveling here in Colombia as well as Mexico, Ecuador, and Peru to raise support for the work. Our church increased its faith promise giving greatly and all in all it was a tremendous conference.

Teen Camp

Every year our church works together with several other like-minded churches to put on a teen camp. This year we had a great group of young people and the Lord really blessed. Our camp is three days long and the schedule is filled with games and competitions for the three teams that are competing. Most importantly the teens hear many messages from God's Word and memorize a lot of Scripture. The Lord blessed in the messages and we had four young people make a profession of faith in Christ. One of those was a young man who has been in our church many years but has always had a hard heart toward the things of God. One night, while praying with other leaders for the young people, Mateo interrupted me to tell me that the Holy Spirit had been convicting his heart and that he had decided to trust Christ. It was truly a special moment and many tears were shed as we rejoiced over what God did in his heart.

Game Time

A busy end of the year

The rest of the year will be full of ministry here in Colombia but I will also be preaching in a number of missions conferences and other meetings in Peru, Mexico, Trinidad, and the United States over the next six months. We also are drawing plans and applying for permits for our building expansion. If all goes according to plan we will be doubling the size of our auditorium soon. Thank you again for your faithful support and prayers for our ministry.
