Dear Faithful Supporters,

January 2025

As we reflect on the past year, we want to express our gratitude for your love, support, and prayers. We began this year in Canada for Wes's annual heart doctor appointments. We also took this opportunity to visit one of our sons, whom we hadn't been able to visit in over six years. We had a wonderful week with him. We were also able to visit a couple of churches in Eastern Canada. We are thrilled to have a new supporting church in Newfoundland, Canada! Thank you to First Baptist Church for trusting us in sharing God's love in St. Lucia.

In the last couple of months, we have been focusing on our Bruceville building project. We are almost finished with phase one and are excited to start phase two in February. It has been a blessing to have so many of you involved—whether through prayer, financial support, or physically coming to help with the work. Without you, this project would not be as far as it is!

We were also blessed to have a young family from one of our supporting churches visit us. They participated in teaching children's classes, sharing testimonies, providing special music, and helping with the new building.

While back in Ontario, Canada, it is always a privilege to reconnect with our family and church family. FaithWay Baptist Church has been a tremendously supportive church, for which we are truly grateful. With the help of many church folks, we packed and filled some barrels to ship down to St. Lucia. The contents of these barrels will help many people with some physical needs.

Once again, thank you for your continued prayers for the ministries God has allowed us to be a part of

God Bless,
Wes and Faith-Ann Bartley Serving in St. Lucia since 2012
