

Reisingers to the Amazon Basin

December 6, 2024

Dear praying friends,

We recently sent out a regular prayer letter update to, which many of you all have responded. Thank you so much for the prayers, support, and Christmas gifts at this time of year. Yesterday evening I had a pickpocket take my phone from me while using the Metro system here in Colombia. We are not as concerned as much about the device itself as we are the information that was on it. Please pray with us that all of our information remains secure. Many of you communicate with me via text message as it is my US number. I hope to retain that number, but it will be inactive for a while until we pay off that device and replace it with a US carrier phone. I can still be reached by WhatsApp, this email, or my wife's US cellular number if necessary. (850)612-2784.

Thank you for your prayers on our behalf as we continue to adjust and go through adjustments and small challenges such as this.

Merry Christmas and happy New Year.

In His service,
Aaron and Kristia Reisinger
