PRAYER LETTER: MAY 2025

Dear Friend,

Greetings to you from India. We do hope that you are keeping in good health. Here is a brief report of our ministry:

TRIP TO MANIPUR

God allowed me to visit the state of Manipur, where close to 300 Kuki and Manipuri-speaking churches were demolished. We had two Manipuri-speaking churches, which were pulled down by an excavator and burned by fire. The members of one church were in a dire situation because of the atrocities of armed militants, and to save their lives, they fled and never returned to the village. Sad!

The second Manipuri-speaking church bounced back. The members made a shed on the adjacent land. At present, the average attendance is fifty. To my surprise, four ordinary women decided to take baptism openly. The church arranged for a baptism tank and placed it in the half-burned church building, and on the request of the church, I had the privilege of baptizing them. It is messages to those who are systematically trying to erase Christian testimonies from Manipur that the believers will follow Christ at all cost. Praise be to our Lord.

NEW PROJECT

Our college dormitories are about twenty years old. At that time, to reduce costs, we installed a cement floor that has since worn out. We have to consider the hygiene of the dormitories. We must not forget that when inspected by government agencies, we will not incur penalties. Considering various factors, we have decided to install vitrified tiles on the floors of the five dormitories. It is an urgent need. For this purpose, we need \$ 32,555. We request you to pray about this need. Thank you for your prayers and support.

Servants of the Lord,

Sam & Molly, India
