October 2023

Dear Prayer Partners,

What an exciting furlough it has been! We have been very busy visiting our supporting churches and giving updates of what God is doing in Argentina, but it has not all been work; there have been many fun times along the way. One of the first fun things that we were able to do is take the children to the Creation Museum with April's parents. Also, during the month of July, we were able to attend enrichment week with our mission board BIML and attend Youth Congress at Crown College of the Bible. Enrichment week was a week of needed spiritual refreshment for me and April, and a week of fun activities for the kids. During Youth Congress, Joel publicly announced that he feels God is calling him to preach. We have been watching God work in his heart as well as in all our children and are very happy to see him take this step in his walk with God.

We are very thankful that many of our furlough trips have also been great opportunities to visit with April's family, all of whom live in different places faithfully serving God with their lives. We have taken trips to Oklahoma, Kansas, Michigan, and Canada, and most recently a trip to Florida. In all these trips we were able to report to churches and spend time with family.

As our furlough is now beginning to wind down, we are all anxious to return to Argentina, but also sad to say goodbye to friends, family, and our church. Our plan is to return to Argentina in January and begin the process of moving to a new city, looking for housing, and taking to first steps of planting a new church. This will be a big new step for us, and we appreciate your prayers.

Just two simple words to make our prayer requests easy to remember as we prepare for starting a church, they are a People and a Place. Please pray for these two things, that God would guide us to the right People to start with, and that God would guide us to the right Place, or location to begin holding services.

Thank you for your faithful prayers and support.
