

Prayer Requests and Praises

We're thankful that Ethan and Chris got to participate in SEA Missionary Kid Camp. We're thankful for people that minister to our children.

Praise the Lord for an opportunity to teach handiwork skills and strengthen connections in our community.

Pray for health, both long-term and short-term - it's smoky season here, which can contribute to respiratory problems. You might see some pictures of us in masks as we try to mitigate long-term effects of exposure.

Pray for affordable land in our current area to purchase in the future

Pray for wisdom, a translator, and opportunity to reach into other ethnic communities in our area.

Pray for continued connections with those that have heard the gospel.

Events this Month

We're so thankful for the opportunities that we've been a part of recently.

This spring has had several exciting events. We were able to travel to the city of Phrae where Luka and Amie Chermue are planting a church twice. The first visit, we helped paint the auditorium, and the second we passed out invitations to their services. Pray for them as they began Bible studies this month.

At the church, a friend taught a workshop to single mothers within our community for handicrafts. Please pray for continued connection with these families as we share the gospel.

Baptisms

This week, we got to celebrate the baptisms of Ti, Faa, and Moey. Faa has been attending church off and on for several years, as she sought truth in her life. At first, she just wanted to learn the moral things that Christianity could teach her about having a beneficial life. In October, at church camp, she realized that she wasn't just in need of moral teaching, but that she needed a Saviour. She said that she was ready to begin studying the Bible in earnest and follow Christ. Early this spring, Faa made the decision to trust Jesus alone. Please pray for Faa as she continues to be discipled. Faa's mother and father are not Christians. Pray for her strength and encouragement.

On Christmas Day, a young man named Bobby got baptized. Bobby began bringing his good friend Ti to church. Bobby and Ti will often show up in the evenings to ask questions about the Bible. Our church intern, Toey, has spent many hours explaining the gospel to Ti. Last month, Ti decided he was ready to follow Jesus.

Moey is the sister in law of a faithful church member. Moey has been witnessed to by her sister in law for many years. This year, Moey began attending church with her husband, and son. Moey accepted Christ last month. Please pray for her to be a witness to her husband and son.

Thank you for your faithful prayers and support!
